.
In its search for Forex Trading excellence Expert4x has come across many amazing forex trading performances.

.
Expert4x recently interviewed a private Forex Trader who had produced a phenomenal 2600 pips (on a 1 lot basis) in a 3 week trading period. Barry Thornton is a private Forex Trader who has learnt forex trading the hard way by trial and error. He further enhanced his development by presenting international Forex workshops to selected groups of traders and thereby getting involved in mentorship, training and subscription services. He has become independently wealthy from trading his own capital and specialises purely on the Forex market.

.
Expert4x has been given access to the trading records, pretrading analysis charts, result charts of Barry's trading that produced the 2600 pips. Barry Thornton has further given his personal comments on each trade as well as giving Expert4x an opportunity to ask as many questions as it wants to understand the trading techniques used during these trades. You are now given an opportunity to access the interview and the detailed trades over this period (if you wish). Further more Barry has agreed to answer any further questions that members of Expert4x and visitors to the various sites may have. He has agreed to provide personal mentorship feedback which maybe of benefit to any Forex Traders.
